Fax: (244) 222-641-259

## Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

### Airports of Entry

[FNLU](#)      [Luanda International Airport](#)  
[FNUB](#)      [Lubango International Airport](#)

*Note: The AIP designates these airports as serving scheduled airlines only.*

### Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Flight Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at [IFIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents](#). The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

## **Entry Requirements (Departing the U.S.)**

- File an [eAPIS](#) manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

### *Passengers –*

- Valid passport
- [Visa](#)
- International Certificate of Vaccination (including Yellow Fever, no more than 10 years old)

*Pilots – Same as passengers*

*Note:* Other requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

*Aircraft – No Information Available*

## **Exit Requirements (Departing Angola)**

- Depart from an AOE
- File [eAPIS](#) manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry

## **Additional Flight Information**

### **Aircraft Instruments and Equipment**

U.S. airworthiness and certification requirements may not meet other country requirements. It is the responsibility of the pilot to determine if the aircraft meets those requirements.

The Angola AIP states that they have no differences from ICAO Standards, Recommended Practices and Procedures regarding Annex 6, Operation of Aircraft.

ICAO Documents can be purchased from ICAO at: <http://store1.icao.int/>

### **RVSM**

[Domestic and International RVSM](#) guidance is provided on the IFIM Home Page. Click on the **Air Traffic** tab and select **Separation Standards** from the drop down list.

### **Technical Stop / Overflight**

No information available.

### **Non-scheduled Flights (Charters)**

No information available.

**Private Flights**

No information available

**Float Planes**
